

# Shock Service Work Order

1. Fill out this Service Work Order form completely and put it in your package. An incomplete form may cause additional delay.
2. Clean your shocks thoroughly. Remove shock springs prior to shipping shocks.
3. Wrap each shock individually before placing them in a box to avoid damage during shipping.  
ANY DAMAGE OCCURRING DURING SHIPPING IS YOUR RESPONSIBILITY. Full shipping insurance is recommended.
4. Send your package to the address below through UPS or Fed Ex
5. Turn-around time is usually between 24-48 hours from the moment we receive your shocks.
